

KERASAN

Since 1960

KERASAN is one of the leading companies in the ceramics centre of Civita Castellana (VT). Founded in 1960, the company specialises in the production of fine ceramic bathroom fixtures. Over the years, Duemila Kerasan has embarked on a path where quality is presented together with excellent craftsmanship, new technology and careful design research. Today, the company is present in the major international markets with bathroom collections complete with furnishings, accessories and fittings.
